

Soul Cards Workshop

with Beth Haase, RScP

Experience the power of creating Soul Cards and allow the Soul to speak through images. This creative interactive workshop will allow you to create your own personal Soul Cards to:

- Heal the past
- Understand the present
- Visualize the future

This is a mindful and intuitive process to create meaning from images. The workshop will provide guided meditation and guidance on how to proceed in creating personal Soul Cards for deeper insight and clarity on our journeys.

**Thursday, September 6th 6:00 - 9:00 pm and/or
Sunday, September 9th 1:00 - 4:00 pm
